EXPERIENCE

Web Development Immersive @ General Assembly

Chicago, IL

September 2018 — December 2018

Learned several programming languages and industry best practices, and built three full-stack web apps during a ten-week period of intensive, full-time coursework.

Freelance Writer @ Various

Chicago, IL

January 2017 — September 2018

Pitched, reported and wrote original stories for two of the city's widest-read legacy publications, Chicago magazine and The Chicago Tribune, and for ApartmentTherapy.com, which reaches over 20 million monthly readers.

Social Media Contactor @ Chicago magazine

Chicago, IL

January 2017 — September 2018

Wrote and scheduled posts for Chicago's combined social media audience of 500,000, tracked and reported on engagement to editorial and sales.

Research Assistant @ Chicago magazine

Chicago, IL

February 2016 — December 2016

Researched and fact checked feature stories for Chicago, reported and wrote stories and two weekly newsletters, wrote and scheduled social media posts.

DJ/Producer @ WNUR FM

Evanston, IL

September 2012 — August 2015

Hosted and produced a live, weekly radio show, curated music, interviewed guests, oversaw live show broadcasts.

Editorial Intern @ Food Network Magazine

New York, NY

September 2014 — December 2014

Researched, wrote, and fact checked stories for the widest circulated food magazine in America (11.9 million readers), aggregated news for a weekly newsletter.

Multimedia Intern @ Citygram Magazine

Austin, TX

June 2014 — September 2014

Designed interactive mobile layouts in Adobe InDesign, recorded and edited audio and video stories, styled and formatted content in WordPress.
