## WORK EXPERIENCE

---

**Web Development Immersive, General Assembly, Chicago, IL** September 2018 — December 2018

Learned several programming languages, industry best practices, and built three full-stack web apps over the course of ten weeks of intensive, full-time coursework.

**Freelance Writer, various clients, Chicago, IL** January 2017 — September 2018

Pitch, report and write original stories for two of Chicago's widest-read legacy publications, *Chicago* magazine and *The Chicago Tribune*, and for ApartmentTherapy.com, which reaches over 20 million monthly readers.

**Social Media Contactor, Chicago magazine, Chicago, IL** January 2017 — September 2018

Write and schedule posts for *Chicago*'s combined social media audience of 500,000, take follower feedback, monitor engagement and present engagement reports to the editorial team.

**Research Assistant, Chicago magazine, Chicago, IL** February 2016 — December 2016

Researched and fact checked feature stories for *Chicago*, reported and wrote stories and two weekly newsletters, wrote and scheduled social media posts.

**DJ/Producer, WNUR FM, Evanston, IL** September 2012 — August 2015

Hosted and produced a live, weekly radio show, curated music, interviewed guests and broadcast live performances.

**Editorial Intern, Food Network Magazine, New York, NY** September 2014 — December 2014

Researched and fact-checked stories for the widest-circulated food magazine in the country (11.9 million readers), aggregated news for weekly newsletter and wrote original stories.

**Multimedia Intern, Citygram Magazine, Austin, TX** June 2014 — September 2014

Designed interactive mobile layouts in Adobe InDesign, recorded and edited audio and video stories, styled and formatted content in WordPress with CSS.

---
